CHAPTER 109 - SAFE DRINKING WATER ANNUAL FEE

Subchapter N of the PA Safe Drinking Water Regulations (Title 25 Pa. Code Chapter 109) requires public water systems (PWS) to pay an annual fee to the Department based on the PWS population. This annual fee is separate from, and in addition to, the Chapter 302 annual service fee that public water systems are also required to pay for the administration of the Operator Certification Program. Failure to submit the fee by the specified deadline will result in 6% interest being assessed on the entire annual fee amount.
